Director of Intelligence
Headquarters, U.S. Marine Corps
Room 2117, Navy Annex
Washington, D.C. 20380

Dear General:

Many thanks for a very informative briefing and most enjoyable lunch. I found the session with you professionally rewarding and definitely a program of which the Marine Corps can be proud.

During my conversation with General Barrow we talked about Andropov and I mentioned that I would send him a recent publication that we did on Andropov before his selection as Brezhnev's replacement. Would you be so kind to pass this pub on to General Barrow.

Again, many thanks. With best wishes for continued success.
